**DOMAIN NAME REGISTRATION VIA CIPC**

The Companies and Intellectual Property Commission ("CIPC") is aware that customers would have encountered difficulties recently whenever they attempted to register domain names (i.e. website address).

CIPC is pleased to inform customers that the technical problem has been resolved and customers can now apply for domain names without experiencing problems.

Customers are reminded that payment for domain names are done directly with ZA Central Registry (ZACR) and payment to them can only be made via bank card. For more information regarding domain name registration and card payment, kindly refer to the step by step guide (<http://www.cipc.co.za/index.php/Access/how-2/>) or alternatively log an online ticket via the CIPC online query system ([www.cipc.co.za](http://www.cipc.co.za) / enquiries).

Our apologies for any inconvenience caused.

Yours sincerely

---
