

Notice 27 / 2021
REGISTRATION CERTIFICATE (FORM CoR14.3) ISSUED VIA NEW E-SERVICES
PLATFORM

The Companies and Intellectual Property Commission (CIPC) has received feedback that the registration certificate or form CoR14.3 as issued on its newest platform, New E-Services, is not always accepted by banks and other users of CIPC and company information.

Therefore, CIPC has amended the form CoR14.3, with effective date 25 May 2021 on New E-Services to more closely resemble those that are issued via other platforms e.g. E-Services, Self Service Terminal, Banks, BizPortal and the CIPC Mobile App.

In this regard it is important to note:-

- The form CoR14.3 issued via New E-Services, is of a better quality than the certificate issued on other platforms.
- The form CoR14.3 issued via other platforms still contains the previous CIPC Logo stating "a member of **the dti** group" while the amended form CoR14.3 via New E-Services has the current CIPC logo stating "a member of **the dtic** group". Due to the migration of CIPC services relating to companies, close corporations and co-operatives to newer platforms, CIPC has not updated all output documents to the rebranded and renamed Department of Trade, Industry and Competition ("DTIC").
- The form CoR14.3 is issued in colour, but once printed in colour or black and white, there may be a degradation in the quality in the presented form. For peace of mind, kindly confirm the validity of any CoR14.3 and latest company information via the CIPC free Enterprise Search functionality on www.cipc.co.za / Online Transacting / E-services / Enterprise Search or <https://eservices.cipc.co.za/Search.aspx>
- All new company registrations via New E-Services from 1 March 2021, will receive the amended version of the form CoR14.3. If it was not received, kindly download via New E-Services.
- Examples of the previous form CoR14.3 issued via E-Services platform, the amended form CoR14.3 issued via New E-Services and current form CoR14.3 issued by other platforms are attached as Annexure A to this notice.

It is requested that both versions of the form CoR14.3 be accepted, after confirming the validity of the company registration and its information via the CIPC Enterprise Search functionality.

Our apologies for any inconvenience caused regarding the registration certificate or form CoR14.3.

Yours sincerely
